

STATE OF CALIFORNIA—STATE WATER RIGHTS BOARD

License for Diversion and Use of Water

APPLICATION 19143

PERMIT 12936

LICENSE 7820

THIS IS TO CERTIFY, That

John H. Adams and Irene B. Adams
Box 313
Coarsegold, California

Notice of Change (Over)

have made proof as of October 14, 1965,
(the date of inspection) to the satisfaction of the State Water Rights Board of a right to the use of the water of
an unnamed stream in Madera County

tributary to Picayune Creek thence Coarsegold Creek thence Fresno River

for the purpose of recreational and stockwatering uses
under Permit 12936 of the State Water Rights Board and that said right to the use of said water has been
perfected in accordance with the laws of California, the Rules and Regulations of the State Water Rights Board and the
terms of the said permit; that the priority of the right herein confirmed dates from December 22, 1959,
and that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited
to the amount actually beneficially used for said purposes and shall not exceed thirty-two (32) acre-feet
per annum to be collected from about December 1 of each year to about April 1 of the
succeeding year.

Licensee's right hereunder extends only to water necessary to keep the
reservoir full by replacing water beneficially used or lost by evaporation and seepage,
and to refill if emptied for necessary maintenance or repair.

The point of diversion of such water is located :

South three hundred (300) feet and west five hundred (500) feet from NE corner of
Section 28, T8S, R21E, MDB&M., being within NE $\frac{1}{4}$ of NE $\frac{1}{4}$ of said Section 28.

A description of the lands or the place where such water is put to beneficial use is as follows:

At reservoir, being within NE $\frac{1}{4}$ of NE $\frac{1}{4}$ of Section 28, T8S, R21E, MDB&M.

Licensee shall maintain an outlet pipe of adequate capacity in his dam as near
as practicable to the bottom of the natural stream channel, or provide other
means satisfactory to the State Water Rights Board, in order that water entering
the reservoir or collected in the reservoir during and after the current storage
season may be released into the downstream channel to the extent necessary to satisfy
the downstream prior rights and/or to the extent that appropriation of said water is
not authorized under this license.

Licensee shall allow representatives of the State Water Rights Board and other
parties, as may be authorized from time to time by said Board, reasonable access
to project works to determine compliance with the terms of this license.

All rights and privileges under this license including method of diversion, method of use and quantity of water
diverted are subject to the continuing authority of the State Water Rights Board in accordance with law and in the
interest of the public welfare to prevent waste, unreasonable use, unreasonable method of use or unreasonable method of
diversion of said water.

Reports shall be filed promptly by licensee on appropriate forms which will be provided for the purpose from time
to time by the State Water Rights Board.

The right hereby confirmed to the diversion and use of water is restricted to the point or points of diversion herein
specified and to the lands or place of use herein described.

This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the Water Code:

Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the board.

Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).

Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial purpose in conformity with this division (of the Water Code) but no longer.

Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein expressed.

Section 1629. Every licensee, if he accepts a license does so under the conditions precedent that no value whatsoever in excess of the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect to the regulation by any competent public authority of the services or the price of the services to be rendered by any licensee or by the holder of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to or purchase, whether through condemnation proceedings or otherwise, by the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted, issued, or acquired under the provisions of this division (of the Water Code).

Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, city and county, municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.

Section 1631. In the event that the State, or any city, city and county, municipal water district, irrigation district, lighting district, or political subdivision of the State so desiring to purchase and the owner of the works and property cannot agree upon the purchase price, the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent domain proceedings.
